
Professor in Statistics, Biostatistics or Data Science

Faculté des arts et des sciences / Département de mathématiques et de statistique

Job description

The Département de mathématiques et de statistique is seeking applications for a full-time tenure-track position at the rank of Assistant Professor or Associate Professor in Statistics, Biostatistics or Data Science.

Responsibilities

The appointed candidate will be expected to teach at all three levels of the curriculum, supervise graduate students, engage in ongoing research and publication, and contribute to the academic life and reputation of the University.

Requirements

- Ph.D. in Statistics, in Biostatistics, or equivalent doctorate (candidates completing dissertation will also be considered)
- Excellence in research is essential
- Demonstrated ability to teach
- Proficiency in the French language*

Information about the position

Posting number	FAS 09-17 / 2
Deadline	Until October 30 th , 2017 inclusively.
Treatment	The Université de Montréal offers competitive salaries and a full range of benefits.
Starting date	On or after June 1 st , 2018

Application

- The application must include the following documents:
 - a cover letter
 - a curriculum vitæ
 - a statement of the research project
 - copies of one to three recent publications or research papers
- Four letters of recommendation are also to be sent directly by the referees. Without being a requirement, it would be advisable that they include comments on teaching aptitude.

Application and letters of recommendation must be submitted to www.mathjobs.org or emailed to direction@dms.umontreal.ca.

Application and letters of recommendation may also be sent to the chair of the Département de mathématiques et de statistique at the following address:

Madame Marlène Frigon
Département de mathématiques et de statistique
Faculté des arts et des sciences
Université de Montréal
C. P. 6128, succursale Centre-ville
Montréal (QC) H3C 3J7
