

**L'Université
de Montréal
et de votre
carrière.**

Université de Montréal has more than 10,000 employees and is one of Canada's Top 100 Employers.

UdeM has Canada's 2nd largest student body and ranks among the top five Canadian research universities, receiving more than half a billion dollars in research funding every year.

Through the achievements of the members of its community, UdeM participates in building today's and tomorrow's world.

Assistant Professor in Information for the Health Sector

École de bibliothéconomie et des sciences de l'information

Faculty of Arts and Science

The École de bibliothéconomie et des sciences de l'information (EBSI) of the Université de Montréal invites applications for a full-time, tenure-track position of Assistant Professor in Information for the Health Sector.

EBSI (www.ebsi.umontreal.ca), which offers a Master's of Information Science degree accredited by the American Library Association, is a leader in the field of information science in the Francophonie (French-speaking world) and in North America, both in terms of research and teaching.

Responsibilities

The appointed candidate will be expected to teach undergraduate and graduate courses, supervise graduate students, conduct research projects, publish, be active in the dissemination of knowledge, and contribute to the activities of the University through service.

Requirements

- » Ph. D. in Information Science or in a related discipline
- » Strong research portfolio
- » Demonstrated ability to provide high-level university instruction and supervision
- » Expertise in one or more of the following:
 - Information systems in the health sector
 - Systems and processes for strategic intelligence in the health sector
 - Information seeking and retrieval in the health sector
 - Management of information, knowledge, and data in the health sector
 - Information practices and uses in the health sector
 - Evidence-based practice in the health sector
- » Professional experience and established relations with local, national, and international professional associations in information science will be considered as an asset
- » An adequate knowledge of the French written and spoken language **or** a strong commitment to mastering the proficiency level required, in accordance to [Université de Montréal's Language Policy](#). An institutional learning support program is offered to all professors wishing to learn French or improve their communication skills.

How to submit your application

The application file should contain the following documents:

- » a cover letter (the cover letter must include one of the following statements: “I am a citizen / permanent resident of Canada.” or “I am not a citizen or permanent resident of Canada.”)
 - » a curriculum vitæ
 - » copies of recent publications or research papers
 - » a teaching philosophy statement (maximum one page)
 - » an outline of the research programme (maximum two pages)
- » Three letters of recommendation are also to be sent directly to the department chair by the referees.

Application and letters of recommendation must be sent to the following address:

Professor Lyne Da Sylva, Director
École de bibliothéconomie et des sciences de l'information
Faculté des arts et des sciences, pavillon Lionel-Groulx
Université de Montréal
C. P. 6128, succursale Centre-ville
Montréal (QC) H3C 3J7
Phone: 514-343-7400
Email: lyne.da.sylva@umontreal.ca
Website: www.ebsi.umontreal.ca

Université de Montréal is strongly committed to fostering diversity and inclusion. Through its *Equal Access Employment Program*, UdeM invites applications from women, Aboriginal people, visible and ethnic minorities, as well as persons with disabilities. We will – confidentially – adapt our recruitment mechanisms to the specific needs of people with disabilities who request it. We also welcome applications from candidates of all orientations and sexual identities. All qualified applicants are encouraged to apply; however, in accordance with Canadian immigration requirements, priority will be given to Canadians and permanent residents.

Université de Montréal's application process allows all members of the Professor's Assembly to review the application files submitted. If you wish to keep your application confidential until the shortlist is established, please mention it in your application.
