Through the achievements of the members of its community, UdeM participates in building today's and tomorrow's world.

Assistant Professor GIScience (GIS) and Human Geography

Department of Geography

Faculté des arts et des sciences

Job description

The Department of Geography invites applications for a full-time, tenure-track position in GIS and Human Geography. Candidates should be able to mobilize a range of tools in cartography and/or GIS, such as digital, participatory or collaborative cartography, the Geoweb, critical GIS, or spatial analysis of big data to study spatial dynamics of social and environmental processes. The selected candidate will contribute to teaching in GIS and cartography while deepening recognized expertise in the department in the areas of urban, political, and economic geography, and political ecology.

Responsibilities

The appointed candidate will be expected to teach undergraduate and graduate courses, supervise students at undergraduate and graduate level, be active in research and develop his/her own research program in its area of expertise, publishing, and the diffusion of knowledge, and contribute to the activities of the Department and the University.

Requirements

- » Ph. D in Geography or a related discipline. *Candidates completing dissertation will also be considered.*
- » Recognized training in the fields of GIScience and human geography.
- » Publications in internationally recognized journals.
- » Demonstrated ability to provide high quality university teaching
- » An adequate knowledge of the French written and spoken language **or** a strong commitment to mastering the proficiency level required, in accordance to [Université de Montréal's Language Policy](#). An institutional learning support program is offered to all professors wishing to learn French or improve their communication skills.

How to submit your application

The application file should contain the following documents:

- » Cover letter
- » Application must include in the cover letter one of the following statements: "I am a citizen / permanent resident of Canada." or "I am not a citizen or permanent resident of Canada."
- » Curriculum vitae
- » Three publications
- » A statement of your teaching philosophy (maximum one page)
- » A presentation of your research program (maximum two pages)
- » The file should also include the names and the contact information of three people with whom we are authorized to communicate directly for letters of reference.

Application and must be sent by email before January 15th, 2021 inclusively to:

Patricia Martin, Director

Department of Geography, University of Montreal

Courriel : administration@geog.umontreal.ca

Site Web du Département : <https://geographie.umontreal.ca/accueil/>

Additional information about the position

Reference number	FAS 11-20 / 12
Application deadline	Until January 15, 2021 inclusively
Salary	Université de Montréal offers competitive salaries and a full range of benefits
Starting date	On or after June 1 st , 2021

Université de Montréal is strongly committed to fostering diversity and inclusion. Through its *Equal Access Employment Program*, UdeM invites applications from women, Aboriginal people, visible and ethnic minorities, as well as persons with disabilities. We will –confidentially – adapt our recruitment mechanisms to the specific needs of people with disabilities who request it. We also welcome applications from candidates of all orientations and sexual identities. All qualified applicants are encouraged to apply; however, in accordance with Canadian immigration requirements, priority will be given to Canadians and permanent residents.

Université de Montréal's application process allows all members of the Professor's Assembly to review the application files submitted. If you wish to keep your application confidential until the shortlist is established, please mention it in your application.

The University of Montreal
and of the world.
